

## Hilliard Bradley Theater Boosters

The Hilliard Bradley Theater Boosters is a volunteer group of parents and family members dedicated to providing support to the Hilliard Bradley Theater program and our talented theater students at Hilliard Bradley High School.

Our goal is to increase awareness and to encourage involvement and membership in the Boosters organization while working to raise funds and provide much needed support to our theater troupe. Volunteer opportunities include helping with our fundraising activities, working concessions at performances, serving cast meals, and donating items for our raffles or performances.

### Basic Membership

All family members and friends of current Hilliard Bradley theater students are automatically booster members, and we encourage parent participation through meeting attendance and volunteering.
